Beautiful from the street and just as impressive inside and out, this home is sure to go quick! Refreshed throughout, along with a range of fantastic features including generous double bedrooms, a massive 6 car garage with workshop annex along with a spa, this home strikes the perfect balance!

The floorplan includes 3 large double bedrooms, the master with quality BIR. The renovated bathroom and separate toilet with quality fixtures are fresh, modern and do not disappoint. The living spaces are kept comfortable all year around with ducted gas heating and ducted evaporative cooling.
