11 Castle Street REYNELLA SA

3 1 4

Opportunities like this huge 1595 sqm site are getting rarer and rarer with the flurry of development going on in this popular suburb. Situated opposite a beautiful park and in the heart of Reynella with easy access to the southern expressway, bus routes and Southgate shopping center this is a prime opportunity to create something special in this ideal location. With 18.1 m of frontage and a north/south aspect the site would be ideal for units or a community title land division (STCC).

The property also features a solid 3 bedroom home that is in need of a good deal of work but could be of value to the right purchaser as it has good bones and solid timber floors so it might be the key to maximising the potential of the site.
