Fantastic opportunity to buy now and rent out or explore the options with renovating and extending to make the floor plan to suit your needs. Bring the builders and get to work on bringing this home to its former glory. Repairs are needed and we are not going to deny that, but look to the future and what this home could be.

The original home built in 1952 offers the following;

- Spacious formal lounge
- Two bedrooms or adjust the floor plan to your needs
- Big rear rumpus/family room
- Original bathroom and kitchen
- Side carport
- A lot of rear yard currently unused that may hold value for a big extension, garaging or shedding or maybe even a pool
