Come and take a look out the back and be surprised by the large garaging that is perfect for the home handyman, tradie or enthusiast. Triple side by side garaging, all with roller doors, concrete floor and powered. A very rare find indeed!

The owners have been here for many years, but the time has come to move on and leave behind a much loved home. The abundance of fruit trees have been carefully planted and grown and provide all the ingredients of a 'fruit salad'.

-Gated front yard in a quiet street yet only minutes to main transport routes

-Roller door carport with drive-thru access to the garaging

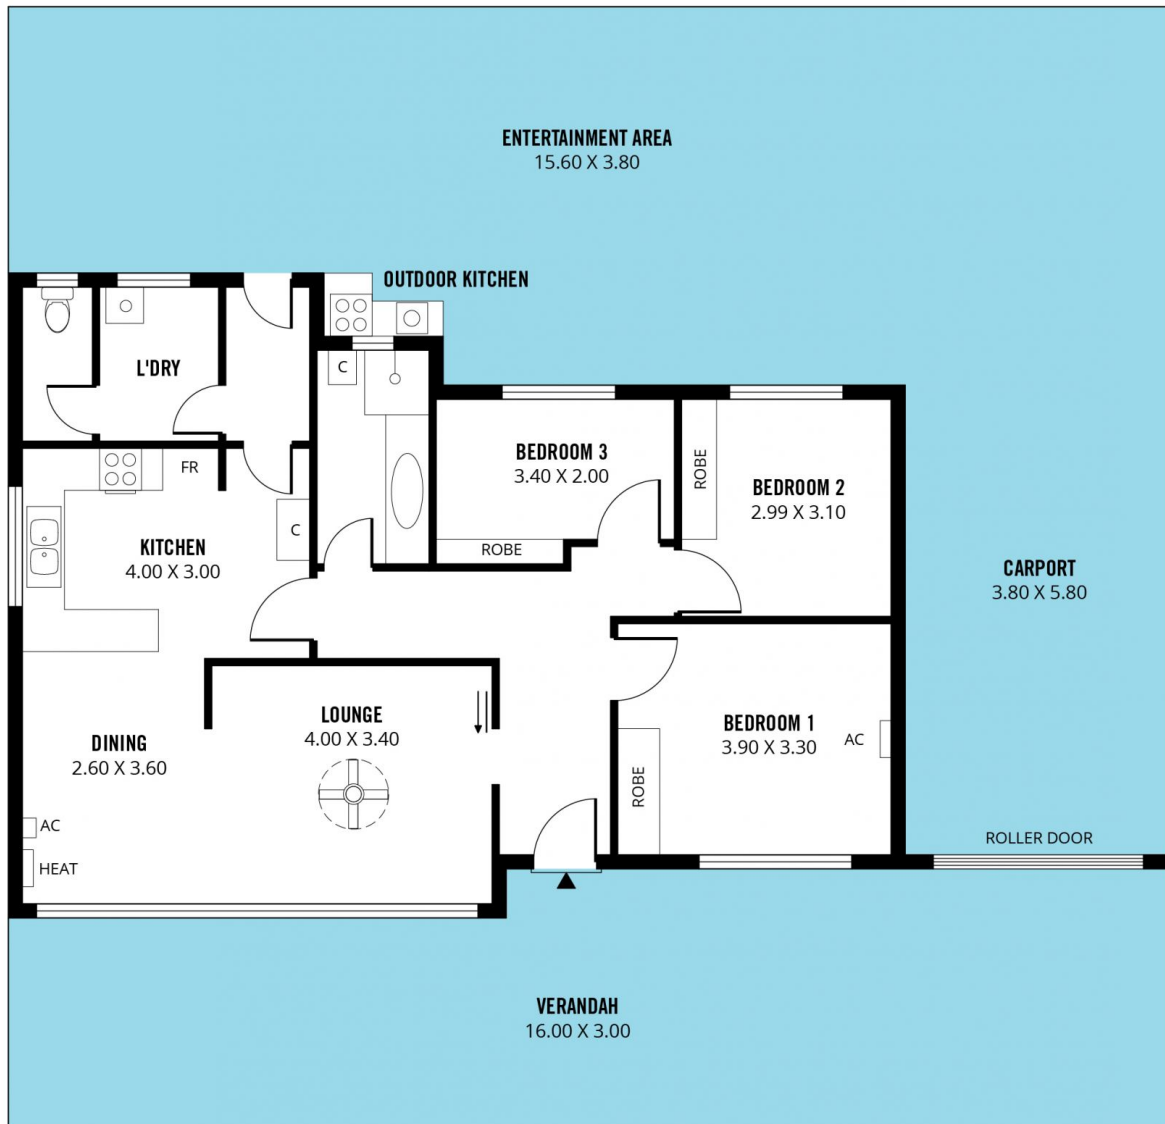

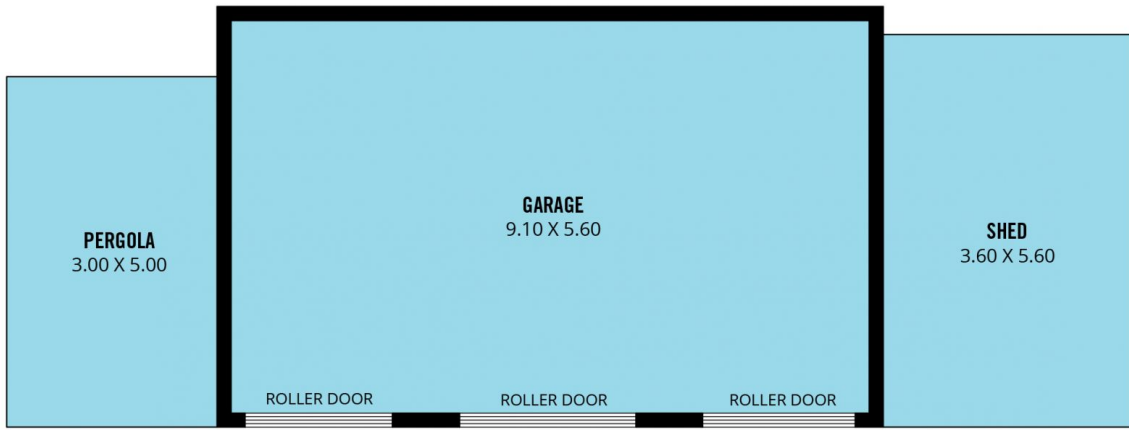

-Formal lounge/meals
