Wanting a neat, solid and honest home in a great location that has room to make all the upgrades you want? Then look no further.

As you enter the home you are met with a large entrance. All three bedrooms are great in size and allow room to install built in robes. All bedrooms are serviced by the main bathroom that offers a full-size bath tub. The kitchen is neat and adjacent from a separate meals area and has its own walk in pantry.

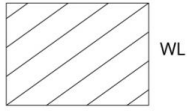

The living room offers split system heating and cooling to keep you comfortable all year round and a large window to let in all the natural light.
