6 Bristol Street DOVER GARDENS SA

3 1 2

Attention developers this is a genuine 1000 sqm block in a quiet pocket of Dover Gardens, is a wonderful opportunity to subdivide STTC. The home has seen better days so its ready to make way for some luxury modern homes.

This is a very clean block with no easements and flat and level as well as having good quality fencing on 2 of the 3 sides. This is a great chance to build multiple homes in this convenient suburb only minutes to Brighton Beach.

This is an opportunity not be missed as these blocks are becoming fewer and far between so call Scott today for further details.
