Located on a corner block on a quiet street, this light and bright home would be an ideal option for first home buyers or downsizers. Recently refreshed throughout, and with great features such as multiple living areas, drive through access to a large garage and a great outdoor entertaining space; this is one not to be missed!

A beautifully manicured front lawn gives the exterior of the home a neat and appealing finish. Stepping into the home you are greeted with two separate living areas, with fresh paint and carpets making the rooms feel spacious and welcoming.
