

MAGAIN

1-6 West Street ASCOT PARK SA

2 1 2

Fantastic opportunity here with this freestanding large homette built in 1994. High quality construction and in a location close to local transport routes and only a very short drive to the Park Holme Shopping Centre.

Set at the front of the group the property consists of a very large carpeted lounge with bay window, split system rc/ac, wall heater and down lights. Kitchen with lots of cupboard space and gas cooker and double sink, separate laundry with good size linen press and handy private entry from the single garage which has a auto roller door.

Two bedrooms (very roomy master) with built-in mirrored robes, main bathroom and separate toilet and a very easy care rear paved yard.

Absolutely perfect for investment, retirees or the young professionals looking for that easy way of life.
