1-57 Cottage Lane HACKHAM SA

3 1 1

Certainly the best value in the area for a house alternative.

If you are looking at downsizing, investing or getting into your first bricks and mortar purchase and away from dead rent money, then take a look at this one. Bigger than a unit but offering all the easy care lifestyle opportunities of a modern courtyard home.

With three bedrooms, large master with built-in robes and front security shutter and also robes to the second and floating boards throughout the home for easy cleaning. Nice main bathroom with shower and bath-tub and separate toilet. At the rear is the spacious living area with more than enough room for the dining table and the kitchen.
