Please contact Andrew Boswell to discuss viewing times. A really nice opportunity here with this attractive two storey home offering an abundance of quality living surrounded by other established homes and nature walks and parks.

Downstairs we have the large formal lounge on entry with quality floor boarding, cornice work and ceiling rose. Off this is a formal dine or currently used as the home office. Timber kitchen complete with dishwasher and gas cook top, pantry, so much work area and cupboards.

Casual meals area with size for a big table and chairs and laundry and internal access to the garage. Great for a tradie or handyman as there is room for additional workbench's and shelving to house the tools and equipment in safety. Never a problem with toilets with one downstairs off the laundry and two upstairs.
