Nestled in The Outlook estate, this fantastic family entertainer has a real surprise on the inside. Built with the larger family in mind as we have four bedrooms, spacious master at the front of the home complete with large WIR and ensuite and three other bedrooms towards the rear. Bedrooms 2 & 3 both doubles and with window shutters and with BIRs. Big front L-shape lounge/meals with new carpets. The renovated kitchen is finished with dishwasher, large euro style 6-burner gas cooking, bench & cupboard space galore and pantry. Overlooking the spacious family area ideal for the pool table or larger furniture.
