Set in a delightful quiet court location amongst other quality homes, this big family home has a great floor plan for the larger or growing family. With a spacious front formal lounge with sliding door access to the undercover pergola area. Large formal dine, kitchen with stainless steel appliances (gas cooktop and electric oven) and dishwasher. Large master bedroom with robes and huge ensuite bathroom with spa bath. Bedrooms two and three located at the rear of the home and both doubles with robes. Good size fourth as well. Big bonus of a rumpus room just off the family area. The floor plan holds lots of different alternatives.

Outside we have an all weather verandah, low maintenance gardens (both front and rear) and tool shed.
