Here's a unique opportunity to buy into the highly desirable seaside Christies Beach area. It's a pleasure to present this immaculate four bedroom family home all set on a generous sized 728sqm block.

Just a short distance to schools, transport and only a short distance to the cool blue waters of Christies Beach, this home has a flexible family orientated floor plan. The large formal lounge is at the front of the home and is an excellent social area to relax, the eat in kitchen has plenty of cupboard and bench space and also overlooks a second living area/formal dining area.
