Please call Scott McPharlin for viewing times.

This very well-maintained four-bedroom property is positioned on a large 540m² corner allotment wide side access and is within 700m walking distance to the new Seaford Railway Station. Commuting is even easier now with the recently-duplicated Southern Expressway. The upgraded Seaford shopping centre, a number of schools and some of the state's best beaches are also in very close proximity.

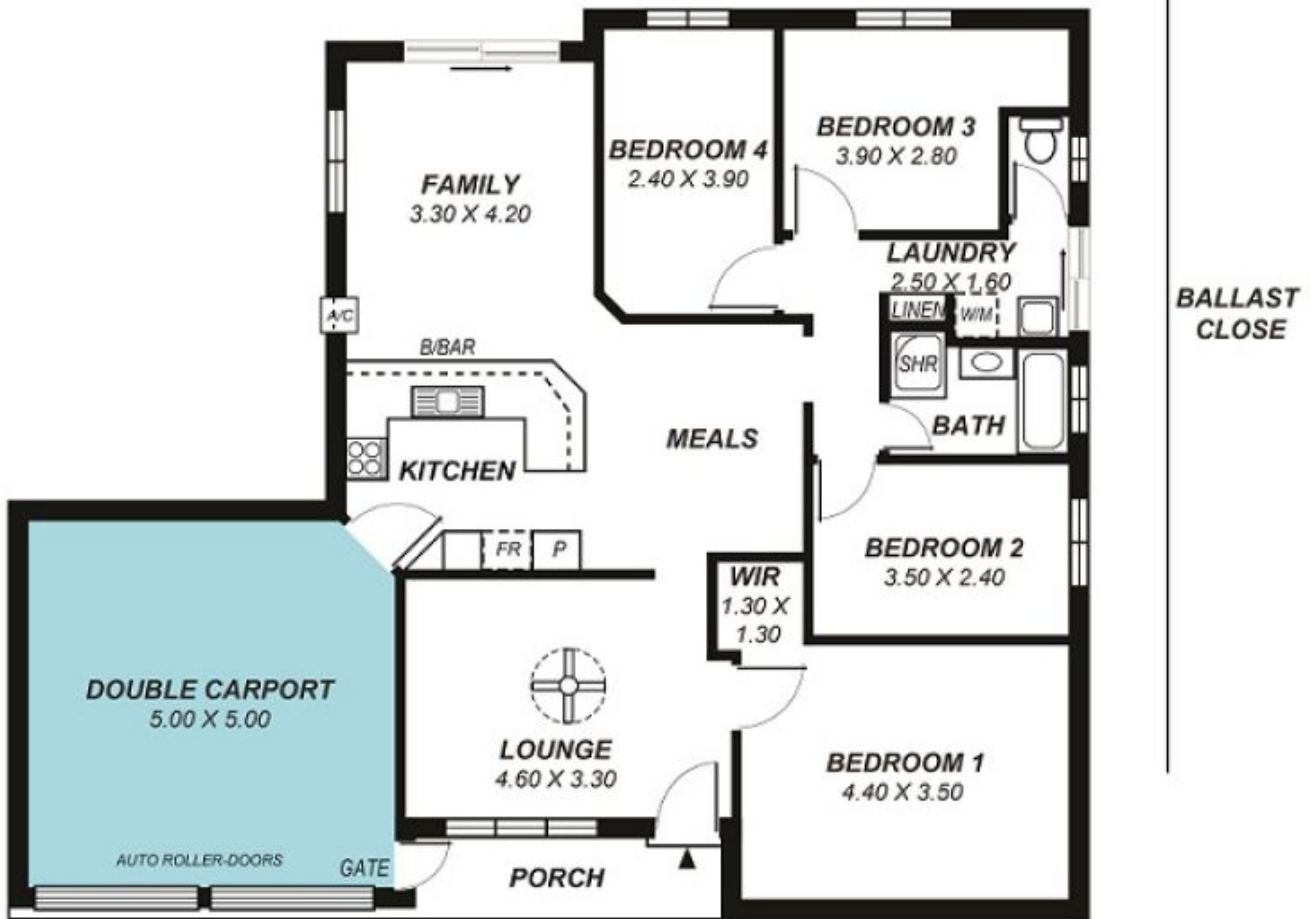

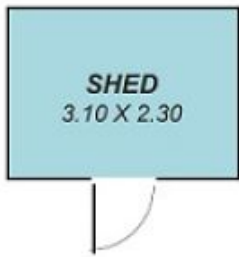

This property presents an ideal opportunity for a range of buyers including young families, investors, 1st time buyers and those looking to downsize to a neat home with an easy care appeal in a quiet area.
