Every now and then you come across a home which is a bit different, not the standard floor plan and this is certainly very functional and appealing to a range of buyers being a family with multiple generations, teenagers or someone who has constant visitors.

Featuring four large bedrooms with the master at the front with a three way semi ensuite bathroom and a large walk in robe. The three other bedrooms all have built in robes and the third and fourth bedrooms share an ensuite bathroom perfect for those older members of the family.
