Contact Andrew Boswell for viewing times.

Ready made for the investor, this spacious homette in only a group of two and privately managed, sits only a stones throw from the coast on the corner of Chenoweth Road and Harvey Crescent.

Great street appeal and looked after by a caring tenant who is in place until October this year and would love the opportunity to stay on. Roomy front formal lounge with wall split system, large master bedroom and really good size second bedroom. Main bathroom and separate toilet.

We have a kitchen with eat-in meals and also privacy door access to the secure garage which has a auto roller door. Being on the corner allows for further off street parking with another garage/workshop. Undercover entertaining area, lawns, tool-shed and garden beds. Looked after really well
