REAL ESTATE

8 Anona Way FAIRVIEW PARK SA

3 1 2

This property is just waiting for someone like you to give it new life. It has great bones, with all the elements there to provide a fabulous family home. What a wonderful blank canvas for your imagination to run wild. There could also be potential for subdivision here (STCC).

Set on a corner block of 716m², there's plenty of space to design your own landscaping. Fully fenced, the block has been segregated into sections, the front yard with a single driveway to the carport, a second driveway leading to the massive 5.7m x 8.3m garage/workshop, a service yard to the rear, and a large section on the Eastern side that could benefit from an undercover entertaining area and/or swimming pool (STCC).
