8 Olive Grove Westbourne Park SA

3 1 1

Please call Sam Raven for inspection details.

Nestled in this quiet street in the much sought after and tightly held Westbourne Park, this lovely original circa 1926 Bungalow offers so much potential for someone looking to establish a family home in this fantastic pocket. With its stone frontage, dome ceilings and original timber fretwork, this wonderful home oozes character, but is of course crying out for some much needed TLC and some vision to bring it back to its former glory. Untouched for decades you can see the original workmanship that went into this home, plus you can rest assure that nothing has been hidden for the sale. With the large block there is potential for a large modern extension that would bring this wonderful home into the 21st century.
