Finished with a neutral colour scheme, you are located close shops, bars, restaurants, parks, public transport as well as sporting facilities. With a large in ground pool, whisper quiet location and surrounded by established homes on a peaceful street, this is an attractive choice for families. The large covered back entertaining area is surrounded by established gardens, which offers privacy from the neighbours. Offering a safe and secure space, the fully fenced area is ideal for children and pets to play while parents unwind.

An abundance of natural light filters through the numerous windows and makes it a very warm and inviting environment. The large, light-filled living area is kept cool by the air-conditioner. There's side access too, for extra convenience.
