End the race for your next home with this one owner built beauty! This really is something very special and nestled in a private position away from the hustle and bustle of life, yet only a couple of minutes drive to local shops at the Hub, local schools and fantastic walks and parks including Thalassa and the McLaren Vale.

Built in 2010 by Rossdale, this split level Torrens Titled home was built to take advantage of the beautiful location of the land holding whilst maximising the available space with a large home with up to five BIG bedrooms and extensive decked entertaining area. It surprisingly is a low maintenance package.

There really are so many fantastic features of this home
