19 Sylvan Circuit NOARLUNGA DOWNS SA

Looking for an extra-large family home? This big beauty could make all your dreams come true. With 5 decent sized bedrooms, big living areas and a kitchen to die for you won't know where to look first. There's even a formal dining room that could easily be used as a study or kids' playroom if your heart desires.

Grand proportions run throughout. The main bedroom is huge with a lovely big bay window, walk-in robe and an ensuite you'll instantly fall for. It's rare to see such a big shower alcove in an ensuite, with two rain headsyes you read correctly, it's a double shower! There's also a separate double vanity so there will be no fighting over the sink, nor steaming up of the mirror.
