40 Morton Road CHRISTIE DOWNS SA

3 1 5

This property has loads of potential if you like projects, or perhaps if you are seeking something with scope for subdivision (STCC).

For the tradie there's a good-sized, solid 3-bedroom home with undercover space outside to work, and a massive shed with concrete floor, power and lights. Ideal for storing your building materials and tools. Take this raw diamond and craft it into something of your very own. Don't be fooled though, this won't be done in just one weekend the photos make the interior of the home look better than it actually is!

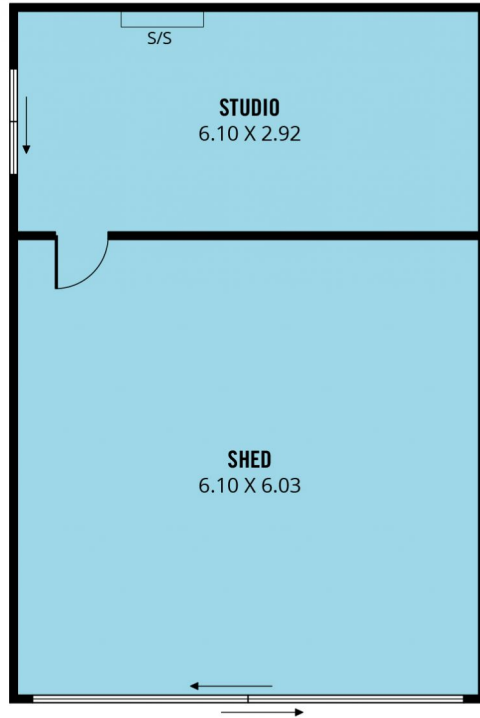

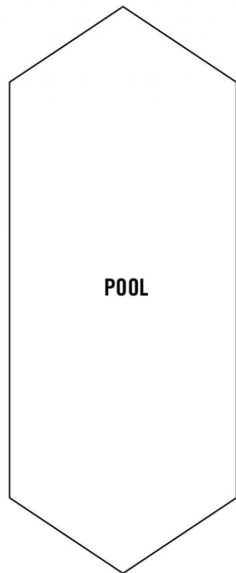

With a decent sized block of approx. 796m², and a frontage of 19.6m this property also has potential to be subdivided (STCC).
