76 Gulfview Road Christies Beach SA

3 1 4

Beautifully decorated with a classic Hamptons coastal theme, this renovated 1960s classic is simply gorgeous. It features real polished timber floors and a light neutral décor, incorporating a stunning Hamptons style kitchen, along with matching bathroom areas.

The kitchen is not only appealing, but functional as well. With a 900mm stainless steel free standing oven, you'll be the envy of any home chef. Dinner parties will be a breeze with a dishwasher for easy clean-up when your guests leave, plus space for a French door fridge to store your supplies and drinks. Having an eat-in-kitchen means you can cook and serve without missing the action at the dinner table.
