The beautiful light colours, sophisticated décor and architectural features of this modern home make it a truly stunning place to be. Lofty ceilings, trendy light fittings, a superb use of glass, together with immaculate outdoor spaces combine to provide a lush private oasis.

As well as being totally easy on the eye, this home is exceedingly practical. Tiled floors from front to back cut down on maintenance, whilst being great for allergy sufferers and pet owners. There are 4 great sized bedrooms, the main having a generous walk-in-robe and sparkling ensuite with twin sinks. The other bedrooms all have built in robes, and the fourth bedroom, originally planned as a guest room, has lovely glass sliding doors that lead to the rear decking area. The impressive kitchen
