2/17 Railway Terrace McLaren Vale SA

If you have been looking for a flat block of land to build your dream home in McLaren Vale (stcc), look no further! This 501sqm block is situated just a few minutes' walk from the main street of McLaren Vale, close by to two large shopping centres and everything that this fantastic township has to offer. It is also located less than 100m from the Shiraz trail bike way. This is the perfect opportunity to set up your families future in this wonderful community.

Currently with plans for a large 260sqm family home being designed through Statesman Homes there is enough space for kids to play and even potential for a swimming pool. Either continue with a similar design or start fresh with your own grand design and builder of your choice.
