This modern, sophisticated home is truly something else. Architecturally designed and highly unique, it has been cleverly put together with high quality finishes throughout. The plantation shutters, door furniture, tapware, light fittings and even the appliances are all attractive and of good quality.

The entry is spectacular, with lofty ceilings, plenty of glass, and beautiful pendant lights to add a touch of class. There's 4 bedrooms, the main with ensuite and large built-in robes. The ensuite shower is huge and comes complete with a large rainhead style shower fixture.

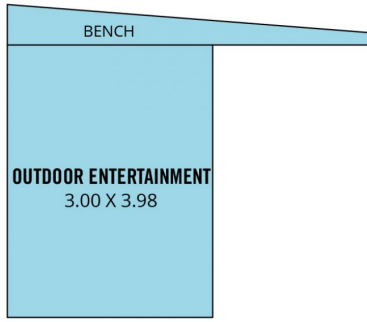

A glorious kitchen with stainless appliances, including a dishwasher, overlooks the lovely well-lit living and dining
