3 Winkie Street Christies Beach SA

3 1 2

What an absolute ripper of a first home or investment property, well maintained over the years, and now with fresh paint and brand new carpets. There's so much to love about this split level 3 bedroom home. Light neutral colours make it suitable for any furniture or artwork you wish to bring. The bedrooms are all spacious. The oversized master bedroom has an expansive built-in floor to ceiling robe.

There's an original bathroom in great condition plus a second loo off the laundry. The retro 1960's kitchen has plenty of cupboards and a skylight to let in extra light. It overlooks a large meals area, suitable for both intimate dinner parties and big family lunches.
