6 Woodstock Avenue Christie Downs SA

2 1 3

This spacious 2 bedroom home is set on a full sized level and rectangular block of around 672m². Great for first home buyers or investors who are happy to put in a bit of elbow grease, with the added bonus of potential development in the future using a great block frontage of 19.2m.

Raked ceilings provide a sense of space. The separate entry leads to a grand living and dining area, along with an original kitchen with plenty of cupboards. The bedrooms are of good size, and built-in-ropes in both of them provide great storage. The bathroom has a full sized bath for soaking away your troubles, or bathing little ones. There's a separate toilet and spacious laundry too.
