34 Lovelock Drive Noarlunga Downs SA

3 2 1

This beautifully presented low maintenance townhouse is jam packed with features that are sure to impress. The main bedroom with ensuite and walk-in-robe, along with the kitchen/lounge areas are located upstairs, taking advantage of a view that stretches across a grassy reserve and out over the ocean. Downstairs you'll find two more generously sized bedrooms, both with built in robes, a sparkling large main bathroom with full sized bath and a large practical laundry.

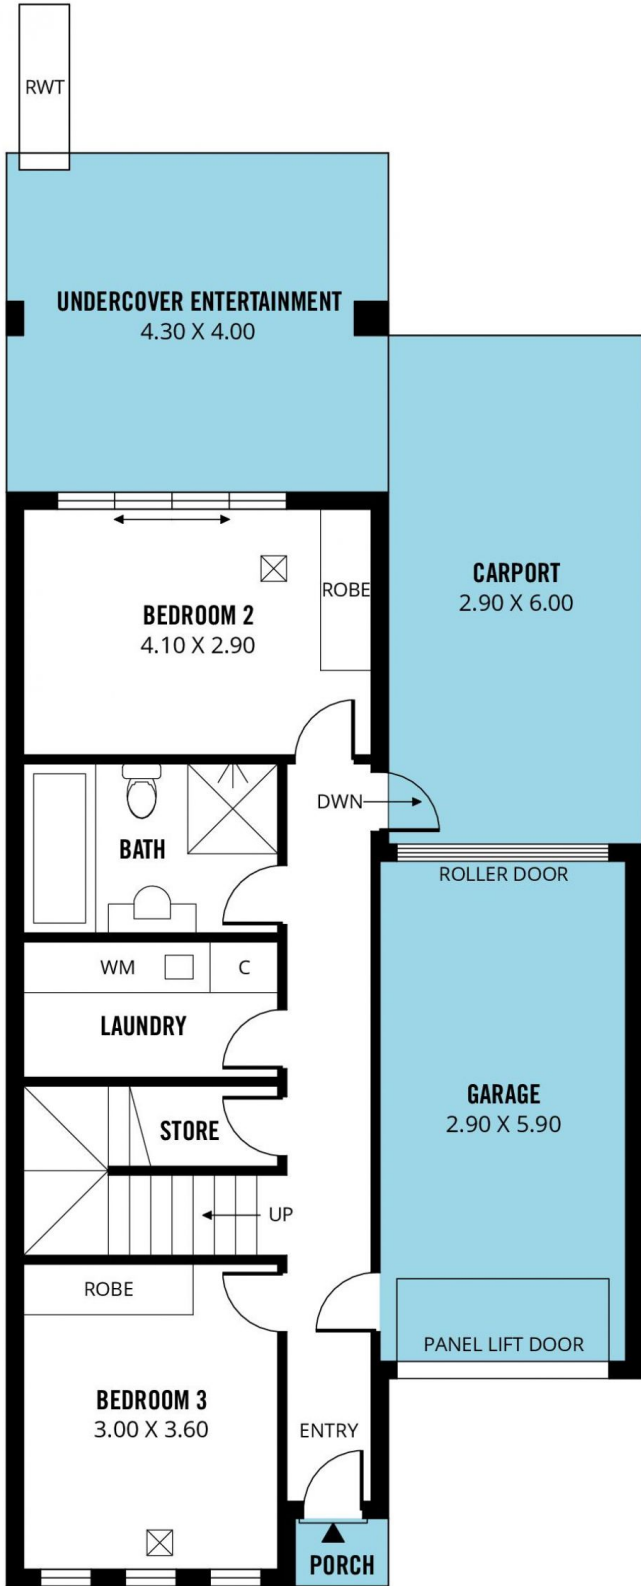

The kitchen is fabulous, modern and family-friendly with a large island bench, dishwasher, plenty of cupboards and room for a French-door fridge. A light neutral colour scheme throughout, downlights and loads of windows give the living spaces a nice bright and open feel.
