23b Nash Crescent Morphett Vale SA

Two great opportunities of clear, flat land in a great central location. With a large reserve and playground directly across the road, not to mention being close by to local shops, schools and public transport options, these 316sqm vacant blocks offer a great start for first home buyers, downsizers or even investors to start their next chapter.

These two Torrens Titled allotments are very flat and will be ready to go for the lucky new owners. The blocks have no Encumbrances and no rear easements. All that's left to do is select a floor plan and start building. Vacant blocks are still in very high demand so make sure you don't miss this great opportunity; call Mike or Zoe today.
