This is truly the best presented home you'll see! So neat, clean and spotlessly maintained, this large family home has everything you could want or need. You really can't go wrong here, with 4 big bedrooms, two living areas, two bathrooms and a huge entertaining area with awesome views. The kitchen supports a large family too, with so much bench space, dishwasher, huge corner walk-in-pantry and space for a french-door fridge. The envy of any home chef!

A sumptuous formal lounge will be a great spot to relax for movie nights. In addition there's a large open plan living/dining area at the rear of the home so there's plenty of room to entertain guests, with the ability to flow directly outside for barbeques and birthday parties. Outdoor blinds
