549 States Road Hackham SA

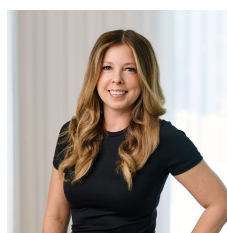

5 2 2

Calling on large & extended families, this 5 Bedroom plus study home offers a super functional large floorplan plus an updated kitchen and a newly renovated main bathroom. Set on a large 760sqm block there is a good size yard, dual driveway for plenty of off street parking, including space for a large caravan.

The spacious floor plan offers five bedrooms, including the master with a very cool sunken ensuite with its own bathtub. All bedrooms have ceiling fans and four have built in robes. Two bedrooms have polished timber floors, three are carpeted. Down the hall is a study nook with added storage and shelving. To the front of the home is the formal lounge & dining, with lovely polished timber floors, ceiling fan and split system heating & cooling. Adjacent is the
