Freshly painted in a beautiful bright coastal theme this will make the perfect family home, holiday let or investment property. Set on a big block of 740m² it has a fabulous back yard and a bonus rumpus room down the back.

New floor coverings include easy care timber laminate through the high traffic areas. Perfect for getting from the front door to the shower when you've just come back from the beach! The three bedrooms are of good size, the master with floor to ceiling robes. The bathroom is practical for families with a bath for the little ones and separate loo. The laundry is big too, another feature valued by families.
