Built in 2016, set amongst other modern homes, this beautifully designed and stunning property could be yours to enjoy. Perfect for entertaining, it features a magnificent chef's kitchen and your choice of two fabulous outdoor entertaining areas.

This low maintenance home has been beautifully and simply finished. The neutral decor throughout is complemented by sophisticated fixtures and fittings, along with attractive yet practical floor tiles to the high traffic areas. There's plenty of room to work from home. The kitchen is divine, and the envy of any home chef with loads of bench space, 900mm gas cooktop and a dishwasher.
