Surrounded by sweet little parks and playgrounds this big family home of 279m² is both lovely to look at and practical. High ceilings, plenty of light and sophisticated finishes provide a welcoming and pleasant feel throughout.

The spaces within can only be described as huge. The Master suite is one of the biggest we have seen, and it includes a walk-in-robe fit for a celebrity lifestyle. It's more like a 'dressing room' than a robe! The ensuite is fabulous too. Dual sinks and a separate loo help with enhancing domestic harmony.
