This stunning low maintenance courtyard home is perfect for investors or first home buyers. Downsizers will also find appeal in a modern courtyard-sized home that doesn't feel at all like you're compromising on space or luxuries.

With 3 bedrooms, two bathrooms and a lovely open plan living/dining kitchen at the rear of the home you'll have everything you need here. The back garden is absolutely spectacular with a simple lush lawn and hardy plants. The rear verandah is a perfect place for solitude. Alternatively, you can enjoy wine time with friends or go all-out to host a family Christmas gathering year after year.
