2 1 1

Please contact Scott McPharlin from Magain Real Estate for all your property advice.

With a sophisticated palette throughout, this funky townhouse is in a great spot, surrounded by other well-designed modern homes, parks and playgrounds. We love the interesting use of light in this home, as it bounces around every room. Modern, tasteful finishes throughout are combined with a low maintenance lifestyle that will be difficult to resist.

Don't miss the opportunity to snap up this interior design masterpiece. Set over 3 levels, the home consists of two living areas, two good sized bedrooms, spacious bathroom and oversized garage which incorporates a laundry area.
