Built in 2014, this spacious townhouse boasts a fresh coat of paint, making it move-in ready for its fortunate new owners. The three bedrooms, including a master on the ground floor with a walk-in robe and ensuite, provide comfortable living. The open-plan living and dining area features floating timber floors, while the modern kitchen offers a large breakfast bar, stainless steel appliances, including a dishwasher, gas cooktop, and oven plus overhead cabinetry, pantry storage, and a shoppers entrance to the double garage, perfect for those cold rainy days.
