## 6 Thorpe Close Noarlunga Downs SA

4  2  1 

Please contact Scott McPharlin from Magain Real Estate for all your property advice.

This large 4 bedroom home is great for families with two living areas, two bathrooms and enough lawn for kids and pets, without the upkeep. Light modern and bright throughout, this beautifully presented home is surrounded by others of a similar age, in a sought after pocket of Noarlunga Downs.

Many thoughtful extras have been added such as quality roller shutters, security screens and blinds. There's ducted reverse cycle heating and cooling, in addition to ceiling fans in every room. Storage is great with a walk-in-robe to the big master bedroom, plus built-in-ropes to all the others.
