Like the smell of fresh paint and new carpets? Well this little gem could be for you. With a lovely private little courtyard complete with lawn area and garden shed, you'll be in your own little oasis.

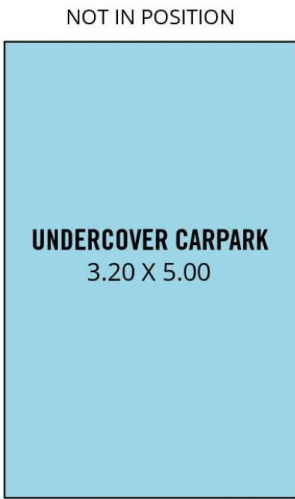

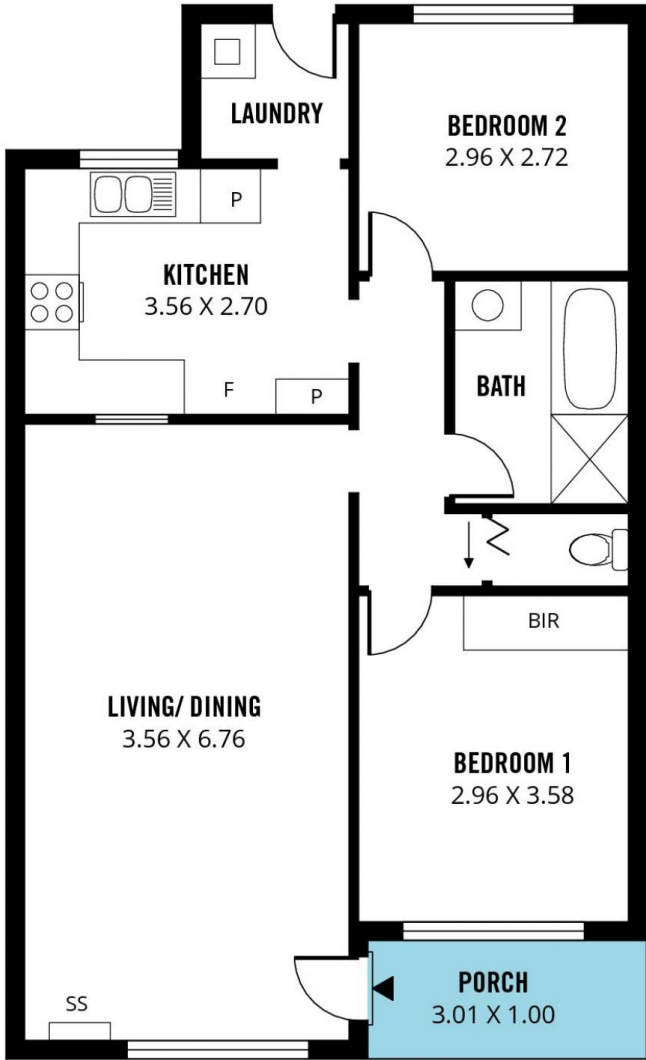

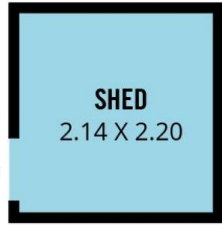

Two good sized bedrooms, plus a light and bright living/dining area provide plenty of space. A kitchen abundant with cupboard space ensures that all your storage needs are met. There's plenty of bench space too. Split system heating/cooling will keep you comfortable all year round, and solar panels will reduce your energy costs and environmental impact.
