Super neat and tidy, this home would make a sensational first purchase, or a great addition to any investor's portfolio. Polished floorboards, neutral colour scheme and plenty of light gives this home a lovely feel throughout. It's spacious too, having been extended at some point to include a large second living area to the rear.

A light neutral kitchen is provided, with plenty of light, lots of cupboards, ample bench space, gas cooktop and a double-drawer dishwasher. The bathroom, toilet and separate laundry are also pleasant spaces, being bright and well maintained. There's a full-size bath for the little
