Set on a large block and with a fully fenced front yard there's plenty of room for kids and pets to run and play. All the hard work has been done on the inside, with an updated kitchen, bathroom, toilet and laundry.

Simple, light and bright throughout this home is a great entry-level property or perhaps a great addition to your investment portfolio. There's 3 bedrooms, the master with large built-in robes. The bathroom has a full-sized bath, separate loo and full-sized laundry. The kitchen is lovely, modern and light with stainless appliances including a dishwasher and gas cooktop.
