Perfect for first home buyers and investors, this charming home has loads of potential! With a flexible floorplan, 3 good sized bedrooms 2 bathrooms and 2 living areas, it's also great for families.

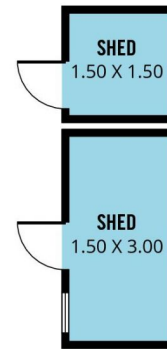

Fairly original throughout, this property would come up so beautifully with some aesthetic upgrades. The master bedroom is of good size, with own walk-in-robe plus an ensuite with big vanity for all your bits and bobs. There's a built-in-robe to one other bedroom, and robe alcove in the other. All the bedrooms have ceiling fans and the home has ducted evaporative cooling for those hot summers.
