Located in a quiet spot, at the rear of a group of 3, this Community Titled neat modern courtyard home is a great low-maintenance option for investors, downsizers and first home buyers alike.

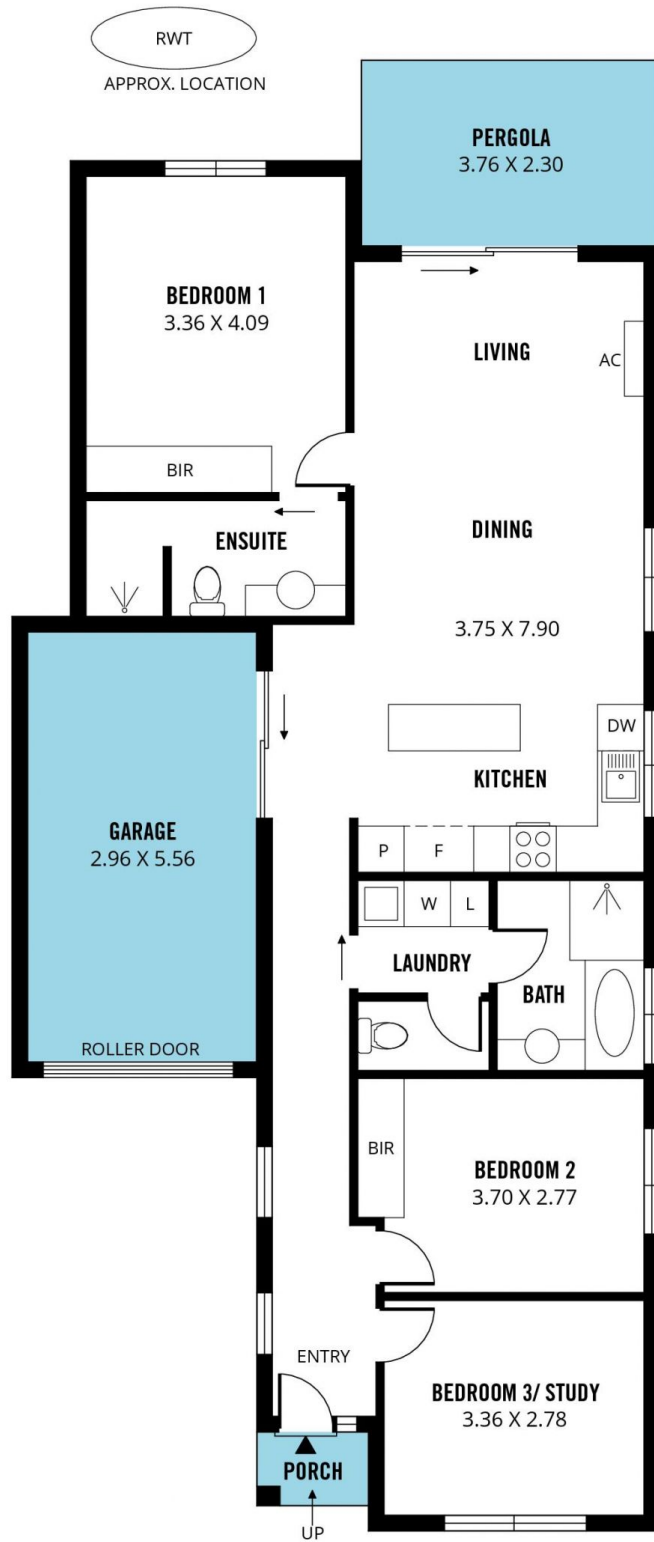

The home, built in 2016 features 3 excellent sized bedrooms, all with robes, plus a big sparkling ensuite to the master. The bright modern kitchen overlooks an open plan living/dining room which leads to a private rear courtyard. A family sized bathroom with proper bath and adjacent compact laundry space provides all the essentials, including great storage options.
