Perfect for first home buyers, investors and downsizers alike, this fabulously spacious 2-bedroom home is seriously impressive. You'll note how well maintained this group of units is, so neat and tidy with manicured gardens throughout. The home itself is light, bright and so neat and tidy. Once a 3-bedroom, it's been converted to a 2-bedroom, with the most luxurious master suite!

Step inside to find a larger than average living room, with nearby modern kitchen and dining space. The updated kitchen is both sleek and very practical, with room for a double fridge, dishwasher and plenty of cupboards.
