Built in 2005, this stunning architecturally designed home perfectly integrates with its surroundings, creating a truly exceptional living environment. The large picture windows frame breathtaking views of the green hillside, while expansive bifold doors provide excellent ventilation during the warmer months. Two beautiful timber balconies further enhance the tranquil setting, offering serene views of the valley below.

The home features two distinct wings: one for living spaces and the other for bedrooms, making it ideal for family living. These two spaces can even be separated by a cavity door by the kitchen. This is perfect for heating & cooling separate
