This one is unusual with 3 great sized bedrooms, and a proper back yard, including potential space to park a caravan!

Just like a house, this home has a family bathroom with a bath, a separate toilet, and a completely separate full laundry. The kitchen is light and bright with loads of cupboards and bench space. It overlooks a large open plan living/dining space with practical timber laminate flooring. Light, bright and neutral throughout there's such a homely feel. Ducted evaporative cooling, plus additional split system heating/cooling in the lounge provides year-round
