Behind the white picket fence sits a super cute, traditional 1950s beach shack. With loads of natural light flooding into every room, and a light neutral colour scheme throughout, you'll be sure to love the welcoming feel it offers.

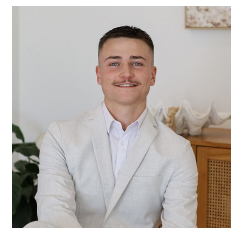

The home features 3 good sized bedrooms plus study or 4th bedroom, a nice big open kitchen/living space, a family bathroom with separate toilet and a huge laundry. Skylights in the kitchen and bathroom bring additional light. Cute original features have been retained throughout, such as built-in timber shelves in some of the rooms, and the old fireplace in the lounge.
