You'll love this spacious 4-bedroom family home. Lovingly refreshed both inside and out, and with wonderful views from the decking you'll be seriously impressed.

There's nothing to do here with updated bathroom/kitchen/laundry areas, easy-care laminate floors throughout, and a bright modern colour palette. Renovations have included a beautiful modern, country style kitchen complete with strip lighting, gas cooktop, dishwasher and handy island bench.

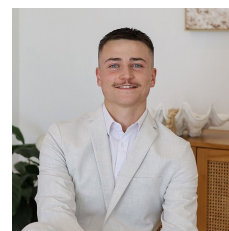

The manicured gardens are just so beautiful, and visible
