4 Nicole Street Christies Beach SA

3 1 1

What an incredible property. The family holiday home of many years is up for grabs. Step back in time with this well maintained, solid home. Perfect for anyone looking for a fabulous project, or maybe a potential development site with a big 853m2 to play with, including an 18m frontage. (STCC)

Rent it out, do it up, or knock it down. There's 3 great sized bedrooms, a large formal living room, galley style kitchen with adjacent meals area and walk-in-pantry. The fairly original bathroom appears to be in good condition, and there's a separate toilet with second shower. Great for families returning from a day at the beach.

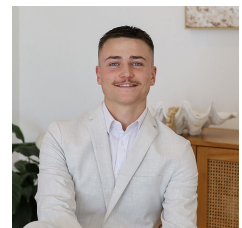

The formal dining room could easily be utilised as a space
